INSTRUCTIONS: This form must be completed for all students and returned to the school with registration information. If eligible, students will be transported to and from one location only. Transportation is provided for all students who reside 1 ½ miles from school or reside in a serious safety hazard area as designated by the State of Illinois. Students are expected to be at their designated bus stop at least 5 minutes prior to their pick up time. Bus stop locations, bus number and pick up times will be posted at the schools on the Friday before school starts. After registration, arrangements for bus transportation will be made through the school. **Transportation for students that register late could take 7 – 10 days.**
