Public School Choice
Student Transfer Form

The federal No Child Left Behind Act requires schools identified as needing improvement to offer parents the option to transfer their children to another public school within the District that has not been identified for school improvement. Your child's school will participate in this school choice program. If you wish to apply for a school choice transfer, please complete and mail the attached form no later than **September 25, 2009** to the address below. If we do not receive this form postmarked by this date, your child will stay in his/her current school.

Washington Elementary School
